Dear Guests!

We are delighted that you chose us!

Please note that during lunch and dinner hours,  
increased traffic may result in longer waiting  
times for food preparation, which can take up to  
40–60 minutes.

We do everything possible to ensure that your  
meal arrives at your table as fresh as possible,  
therefore nothing is prepared in advance — we  
only start cooking when the order is placed.

We wish you a pleasant time and a good appetite!

The prices of the dishes include the side dish.  
A 13% service charge will be added to the total  
bill in addition to the listed prices.
